

What Is Job Link Café.ca?

April 2019

An online job board bringing back the personal touch to the job hunt. While the unemployment rate is low that doesn't mean the job search has stopped. It just means that Employers and Recruiters have to work harder to find the best candidates.

That's where Job Link Café.ca can help. Our real live Career Baristas blend technology with the human element to serve up connections for both Employers and Job Seekers. We focus on being sure that job postings and resumes aren't mixed in with millions or billions all over the world. Never miss an opportunity to meet your ideal candidate or be interviewed when robotic Applicant Tracking Systems (ATS) block a resume. Enjoy working with a local service managed by real people.

How Does It Help Employers?

Employers can post jobs and enjoy browsing resumes that are simpler to scan and not so text heavy. Employers can also work directly with Job Link Café.ca to share the skills, experience and right fit they're looking for in a candidate and receive reports with suggested job seekers.

What does it Cost?

It's only **\$39.00** plus HST for **Employers** and **Recruiters** to post a Job for **30 days**. Browsing Resumes is **free** too.

It's **FREE** for **Job Seekers** to sign up for an account, view Jobs and create their easy 1-page Power Resume.

Plus it's **free** to have the Café let you know about jobs of interest both directly and through social media.

Can I Advertise?

Absolutely. Job Link Café wants to help your business grow by promoting your services, sales and promotions. Plus, we're blasting on social media to get the word out about the many great employers and talented job seekers active in South Western Ontario. Contact scott@joblinkcafe.ca for advertising details.

How Does It Help Job Seekers?

Job Seekers create a 1-page Power Resume (one or more) on the site using the form provided, choose to be anonymous or not (just in case the boss or HR manager is watching!) and receive suggested jobs from the Café. A shorter resume helps initiate a connection faster.

How Do I Get Started?

1. Visit joblinkcafe.ca to create a Free Account
2. Click the **Login/Register** link (top right)
3. Choose **I am an Employer** or **I am a Job Seeker**
4. Enter your **User Name, Email** and **Password**
5. Click **I accept the terms & conditions**
6. Click the **Create an Account** button
7. Job Seekers, click the **Resume** folder tab, **Add Resume**
8. Employers, click the **Submit a Job** button

Anything Else?

Yes. The Job Link Café also wants to share with job seekers and the community more about what Employers are looking for today and in the near future. We will post in our Blog and social media jobs available now and ones coming up soon, sharing with job seekers in-demand skills they may wish to acquire.

Have a Question - Get An Answer!

We want to hear from you and that includes the good, the bad and the ugly! Send us an email at info@joblinkcafe.ca or visit our Contact page on the site. You can also directly email scott@joblinkcafe.ca or gloria@joblinkcafe.ca. If you would like to chat, just let us know and one of our Career Baristas will be right back in touch.

Many Thanks to All.
